ABOUT US / OUR PURPOSE

Print experience. People-first ambition.

Digital Banner Printing is the flex and large-format printing segment of our parent company, **Ultra HD Prints**. With **15+ years of experience**, we help businesses, institutions and families turn ideas into memorable printed displays.

Based in Madipakkam, we serve Chennai, including Velachery, Pallikaranai, Nanganallur, Adambakkam and Keelkattalai. We plan the material, size and finish around your display.

Our vision

To grow into a globally respected printing company, recognised for dependable quality, thoughtful design and service that earns lasting trust.

Our mission

To bring skilled design and careful production together for every customer. We invest in our employees' practical skills, professional growth and earning potential, with the aim of supporting financial wellbeing for them and the many families whose lives their work sustains.

BEFORE YOU ORDER

A few useful answers.

How do I request a quote?

Share the finished dimensions with units, quantity, artwork, display location, finishing needs and required date. We will confirm the scope and quote.

Can you help with design and artwork?

Yes. Discuss your concept, content, brand assets and design requirements with our team. Design scope and approval are agreed before print production.

Which material should I choose?

Flex suits many large campaign displays; adhesive vinyl suits compatible surfaces; canvas suits framed art; sunboard suits rigid welcome and promotional boards. We help you compare suitable options.

When do I pay?

All orders require 100% advance payment before production, after the quotation and artwork are confirmed.

Do you deliver across Chennai?

Collection and available third-party delivery can be discussed. Confirm packing, vehicle size, booking responsibility and charges before dispatch.

How long will my order take?

Timing depends on material availability, size, quantity and finishing. Ask for a confirmed production schedule before placing the order.
